

Boat & Marina Info

12-Person Pontoon Rental — what's included, what's required

The boat

BOOKED 12-Person Pontoon Boat, all ages, max capacity 12. Half-day and overnight rentals also available through Lake Sonoma Marina — this trip is the **11:00 AM–3:00 PM** half-day window.

What's included

- **Parking:** one (1) complimentary parking pass per reservation, single vehicle. Show your digital booking confirmation at entry.
- **Safety gear:** all required U.S. Coast Guard equipment, including life jackets in sizes from infant to adult.

Requirements

- **Operator:** must be 21+ with a valid government-issued photo ID.
- **Boating safety card:** recommended, not required for this reservation.
- **Capacity limits:** strict people and weight limits apply — no exceptions, per marina/manufacturer/safety rules.
- **Check-in:** arrive 30 minutes before departure for orientation and paperwork — that's 10:30 AM.

Fuel is not included. You're sent out with a full tank and charged for what you use at the end of the rental. Budget a little cash/card for the settle-up at the dock.

Dogs aboard

Well-behaved dogs are welcome on this rental. A cleaning fee applies for excessive shedding, accidents, or damage to the boat — see the Dogs Aboard guide for the full game plan with Tony, Carmela, and Craig.

Marina rules worth knowing

- Swimming directly off the dock or launch ramp is prohibited — that's about the loading area, not the open lake (see Swim & Explore guide).
- Pets on marina property (not on your own boat) must stay leashed.
