

Breakfast & Coffee

Verified Saturday opening times — you leave between 8:00 and 8:50

Nothing on this corridor opens before 7:00 AM. Every place below was checked. With departures between 8:00 and 8:50, 7 AM is early enough — but nobody should plan on a 6 AM coffee north of Novato.

Healdsburg plaza

The Flying Goat confusion, resolved. Old listings show Flying Goat at 324 Center St marked closed. It did not close — it moved. That storefront is now **Black Oak Coffee Roasters**, which is why the address reads as both shut and open. Flying Goat runs two Healdsburg cafés today and both are fine.
